

ENVIRONMENTAL POLICY

We, the Top Management of EUROMOVERS INTERNATIONAL SA, declare the full dedication to our responsibility with regard to the environmental aspects of our company.

We commit ourselves to efficiently handle commodities, materials and energies to minimize or – where possible - to completely prevent environmental burdens. In addition, we commit ourselves to continuously improve our Environmental Management System.

We bind ourselves to abide all legal obligations that are relevant for our company.

We have defined target-oriented processes and instructions which respect all areas of our services. Single and general objectives will be implemented, maintained and documented.

The objectives will be communicated via our internet presentation(s),

- *Internally, to our Employees and Network Partners*
- *Externally, to the Public*
